

Financial Policy

Thank you for choosing Kidney Specialists of MN for your medical care. Our mission is to provide the highest quality and most advanced medical care available. Please review our Financial Policy below that also includes information on the Appointment Cancellation Policy when services are rendered to you.

Insurance

- Kidney Specialists of MN accepts and is contracted with most insurance carriers, PPOs, and HMO's. Charges for the services billed to our contracted insurance carriers will be discounted to their allowed amount.
- You are responsible for any copays/coinsurance, deductibles, any non-covered services. (co-payments are due at the time of check-in along with any past amount due on account. If you are unsure of your copay, deductible, or coinsurance amount, please contact your insurance company for clarification prior to your appointment.)

Uninsured/Self Pay Patients

- Patients with no active insurance coverage will be expected to pay a down payment of \$100.00 for established patients and \$200.00 for new patients prior to being seen. This is not payment in full. Rather, the remaining balance will be billed to the patient. Payment in full is then expected within 30 days of receipt.

Laboratory Services

- If you receive laboratory services, such as blood tests, you may receive a bill from an outside referenced lab such as LabCorp Diagnostics, North Memorial, etc. as they perform the lab draws and the analysis of the lab specimen.

Appointment Cancellation Policy

- Please call 48 hours in advance, if you need to cancel or change the date of your appointment. A patient who no shows for three consecutive appointments or fails to give an adequate 48-hour notice may be subject to dismissal from the practice.
- New patients are allowed one cancellation. If more than one cancellation, the referring physician will need to contact the nephrologist to discuss the patient's care in order to reschedule an appointment at KSM.

Billing

- You will receive an itemized monthly statement if there is a remaining patient balance on your account, and payment is due within 30 days of the statement date. If you are unable to pay the balance in full, please contact our business office to arrange a payment plan. Any checks returned for insufficient funds will incur a \$25.00 fee that is not billable to insurance.
