

KIDNEY SPECIALISTS OF MINNESOTA

ACUMEN | MyChart

YOUR ONLINE PATIENT APP - *SAFE. EASY. FREE*

Kidney Specialists of Minnesota (KSM) offers a secure online patient portal called **Acumen MyChart**. With MyChart, you can view important parts of your electronic health record (EHR), including test results, medications, messages from your care team, and more.

How to Enroll: To sign up for MyChart and receive your activation code, please speak with any KSM staff member. They will help you begin the enrollment process.

SIGN UP FOR MYCHART THROUGH EMAIL

1

Receive the Invitation Email

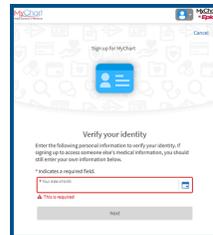

Check your inbox for an email from Acumen MyChart with a link to activate your account.

2

Click on the Activation Link

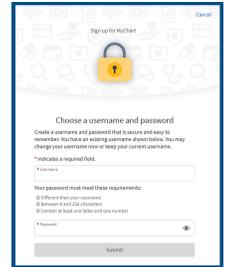

Click the link in the email to go to the account setup page. Verify your identity if prompted (date of birth, zip code, etc.).

3

Set Up Username & Password

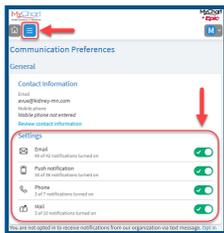

Create a username and a strong password, then verify your email address.

4

Select Notification Preferences

Choose how you want to receive notifications: email, text, mail, etc. Go to Menu > Settings > Communication Preferences

5

Download the MyChart App

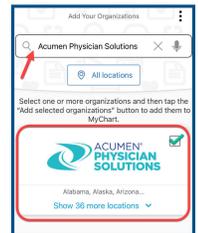

Open the App Store or Google Play Store. Search for "MyChart" and install the app

6

Log In & Complete Setup

Open the MyChart app. Add "Acumen Physician Solutions" as your organization, and log in with your username and password.

NEED HELP? KSM staff are happy to assist you with setup during your visit.
